

Have Lunch On Us !

Would you and your colleagues like to enjoy lunch on ASI at one of your favorite eateries?

Architecturally Speaking would like to treat your personal referral network to a luncheon at a restaurant of your choice.

It's as easy as one 1 - 2 - 3

1. Chose up to 4 real estate professionals to enjoy lunch with, such as buyer agents, brokers, RE attorneys, appraisers or mortgage brokers.
2. Call ASI to schedule the luncheon. I will have you send in a roster of the people planning to attend in your group and then I'll make all the arrangements. I will meet you and your colleagues at the restaurant and after the order is placed, I will give a brief 5-10 minute introduction to **Architecturally Speaking's** services and how they can benefit you and your clients. After answering any questions your group may have you will be free to enjoy the rest of your lunch.
3. This luncheon is provided as an informal opportunity for Architecturally Speaking to meet new real estate professionals and demonstrate "What Sets ASI Apart"
